Mustang Mural Shows the Way

The Salesian High School "Mustang Mural" is a creation of a Salesian alumnus John Gonzales and Mr. Robert Arenivar, both of Goez Studios on First Street in East Los Angeles. It was executed during the month of August, 1974, by the artists with the assistance of Salesian students, outstanding among whom was junior, Larry Ruotolo. Planning began last spring at the initiative of a group of seniors, and the project was guided through the summer months by Father Richard Jiru, chairman of Religious Studies at Salesian. This beautiful mural was financed by a most gracious lady, Mrs. Jorge Ramirez, owner of the Galeria Maria Luisa in San Gabriel, California.

The Mustang Mural was dedicated at an outdoor Mexican Independence Day program at Salesian High School on September 16th, 1974. The program featured dancers from the "Grupo Folklorico" of California State University at Los Angeles. The main speaker for the occasion was Mr. Art Torres, who represents our new local 56th State Assembly District in Sacramento.

The mural is intended primarily as a source of reflection, encouragement and pride for the student body of Salesian. The basic symbol in the mural is the tumbling wall at the center, suggestive of whatever obstacles and challenges the individual student may find confronting him. On the right, and moving through and over the wall, is the Spirit of Salesian: a mature figure carrying the banner of the cross. In his right hand he carries a torch which sheds light over the entire mural.

On the left are younger figures, representing Salesian students astride the Mustang (the school mascot), who must still face the challenges of their high school years. The symbols in this part of the mural express specific religious, cultural and social values, which are important to the life of the student, and to the community in which he lives. The book, guitar and olympic circles represent the importance of studies, social life and sports.

The flag of the farmworker movement is also included as a symbol expressive of a truly Christian approach to social problems: a philosophy based on non-violence and a belief in the willingness of people to support a just cause once it is clearly recognized. Salesian High School is dedicated by its stated philosophy, to "foster those attitudes toward change which will lead to Christian social involvement, in a gospel spirit of compassion and non-violent dedication to human development".

The Virgin of Guadalupe, so beautifully painted on the second banner, is the symbol "par excellence" of the history, faith and culture of the Mexican people and is consequently an image deeply felt in the East Los Angeles community. From the beginning, it has been an image which has inspired hope.

By bringing the symbolism of the three banners into close proximity, the mural suggests that the answers to questions and problems of our day will elude us, unless the lessons of history and the resources of faith are put into positive Christian activity.

BISHOP MORA SALESIAN HIGH SCHOOL

960 SOUTH SOTO STREET / LOS ANGELES, CALIFORNIA 90023 / AN 1-7124

Dear Mustang Graduates of 1975:

At long last you have reached the day of your graduation. It has taken four years for this day. You are about to leave these hallowed halls of Salesian High School and begin a new phase of your life.

Four years ago you came here a mere fourteen year old boy, and now you leave as a young man. The words of St. Paul are very appropriate at this time: "When I was a child I thought as a child, I played as a child and I acted as a child; but now that I am a man I have put aside the things of a child to do the things of a man." (I Corinthians 13)

Your teachers have tried to make of you men, ready to start a new step in your life. For the past four years your teachers, coaches, counselors and friends have expended their total energies upon you in your best interests. We have given you our time and our best efforts in order to share our moral and religious values, and give you a top-quality education.

On your diploma you will find the school's coat-of-arms and the school's motto: "Pro Deo et Patria -- For my God and my Country". Our aim has been to prepare you to serve your Country and your Maker. I believe that in this we have succeeded. Salesian has trained you to seek your place in our American Society. It is now your responsibility to continue to make something of yourself and your life. Be a credit to Salesian and everything it stands for! Spread these ideals and religious values to all who cross your life's path. If you live by these principles all of your life, you will succeed in being "The Man" Salesian expects of you.

Go forth Mustangs! Make Salesian Proud!

May God bless you, my graduates, as you "break camp" at Salesian and ride on in life blazing new trails across this land in the name of your Country and your Maker.

Sincerely,

Fr. Albert Marshall, S.D.B.

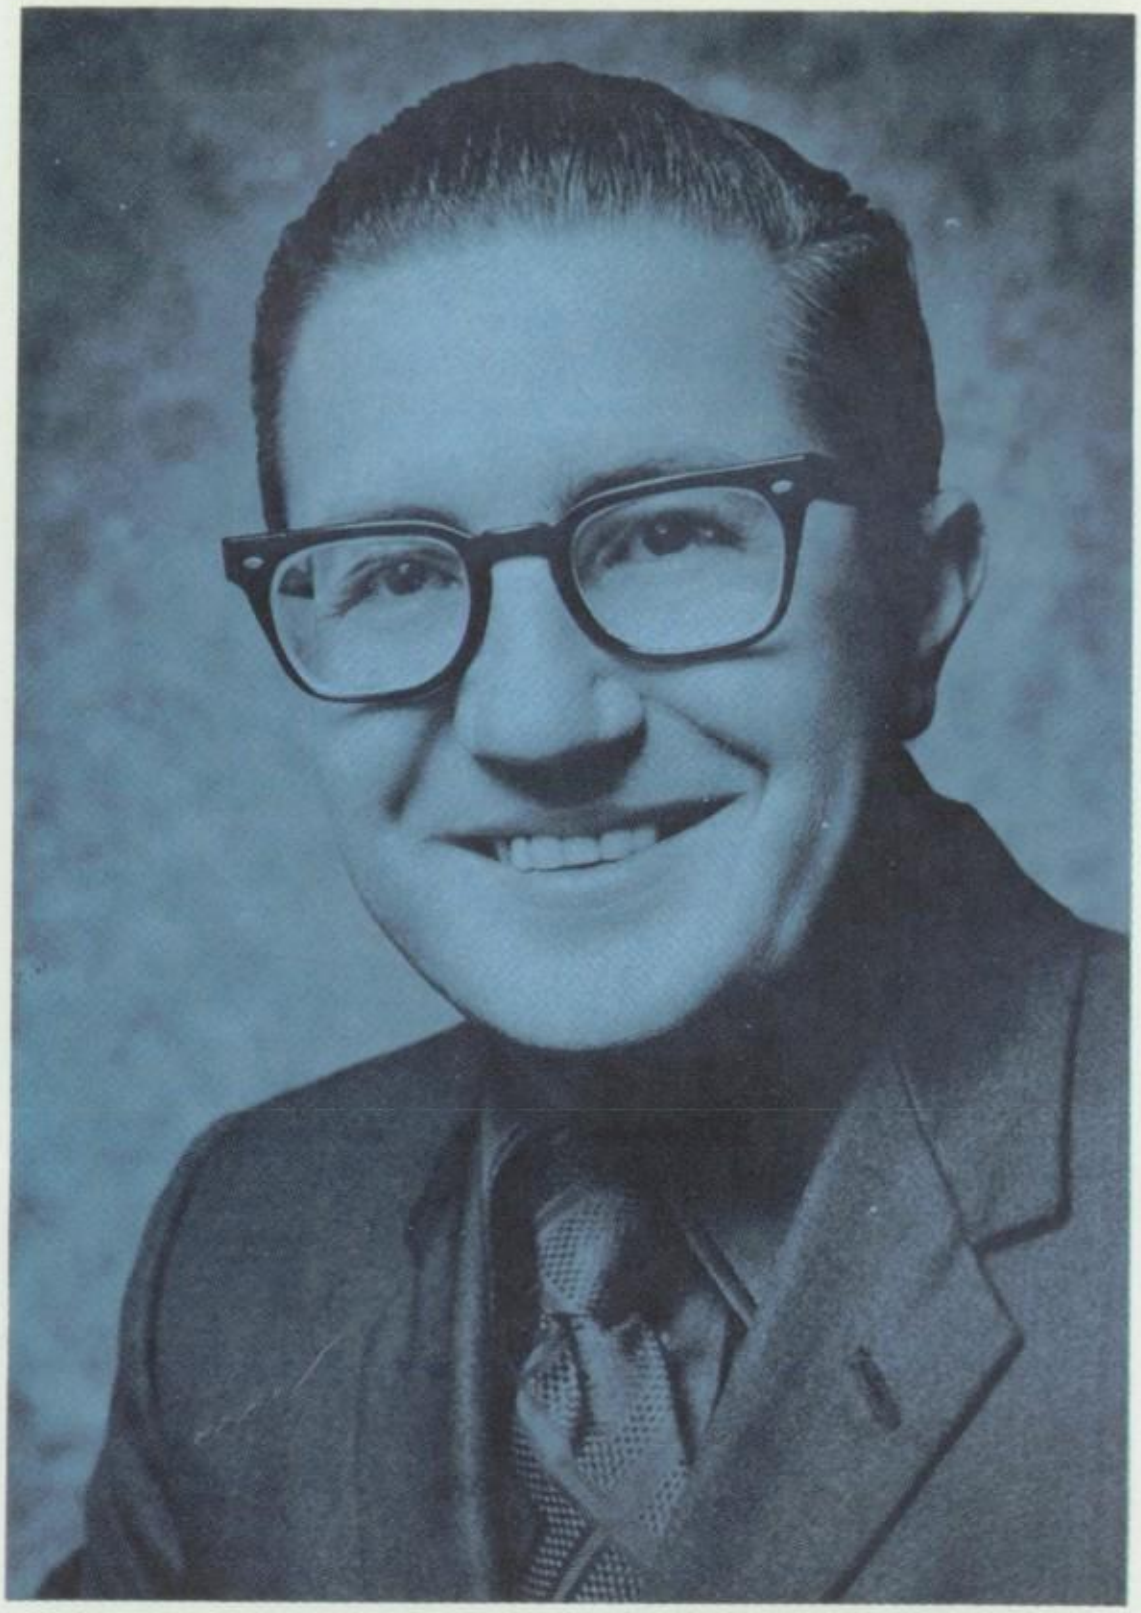
Mrs. Lucille Montgomery

Lucille "Lou" Montgomery came to Salesian High School in 1964. Her first assignment at Salesian was as a secretary to the reading program. Through her efforts, the reading levels of our students were advanced well above the national norms.

For ten years Mrs. Montgomery has been a "shoulder" to the administration, a helpful associate of the faculty, and a friend and mother to thousands of Salesian students.

We the students of Salesian dedicate this yearbook to Mrs. Lucille Montgomery, our registrar, to show our appreciation for her dedication, understanding, patience and love to all of us students. We are mindful of the thousands of freeway miles she has travelled through the years, and for the many things she has done for us that no one knows about but us, her students.



Mr. Ernest Casanave

Mr. Ernest Casanave is a native of Lima, Peru. He attended grammar school and college under the direction of the Salesian Fathers in Lima, Peru.

His first teaching experience was in his former high school where he taught mathematics, physical science and Latin for two years. Soon afterwards, he came to the United States, and to Salesian High School

Mr. Casanave is in his tenth year as a teacher here at Salesian High School. He is friendly, popular and well liked by all the students.

Mr. Casanave was named Mathematics Department Chairman in 1967, and is currently completing advanced studies for his Master of Arts degree, at California State University at Los Angeles.

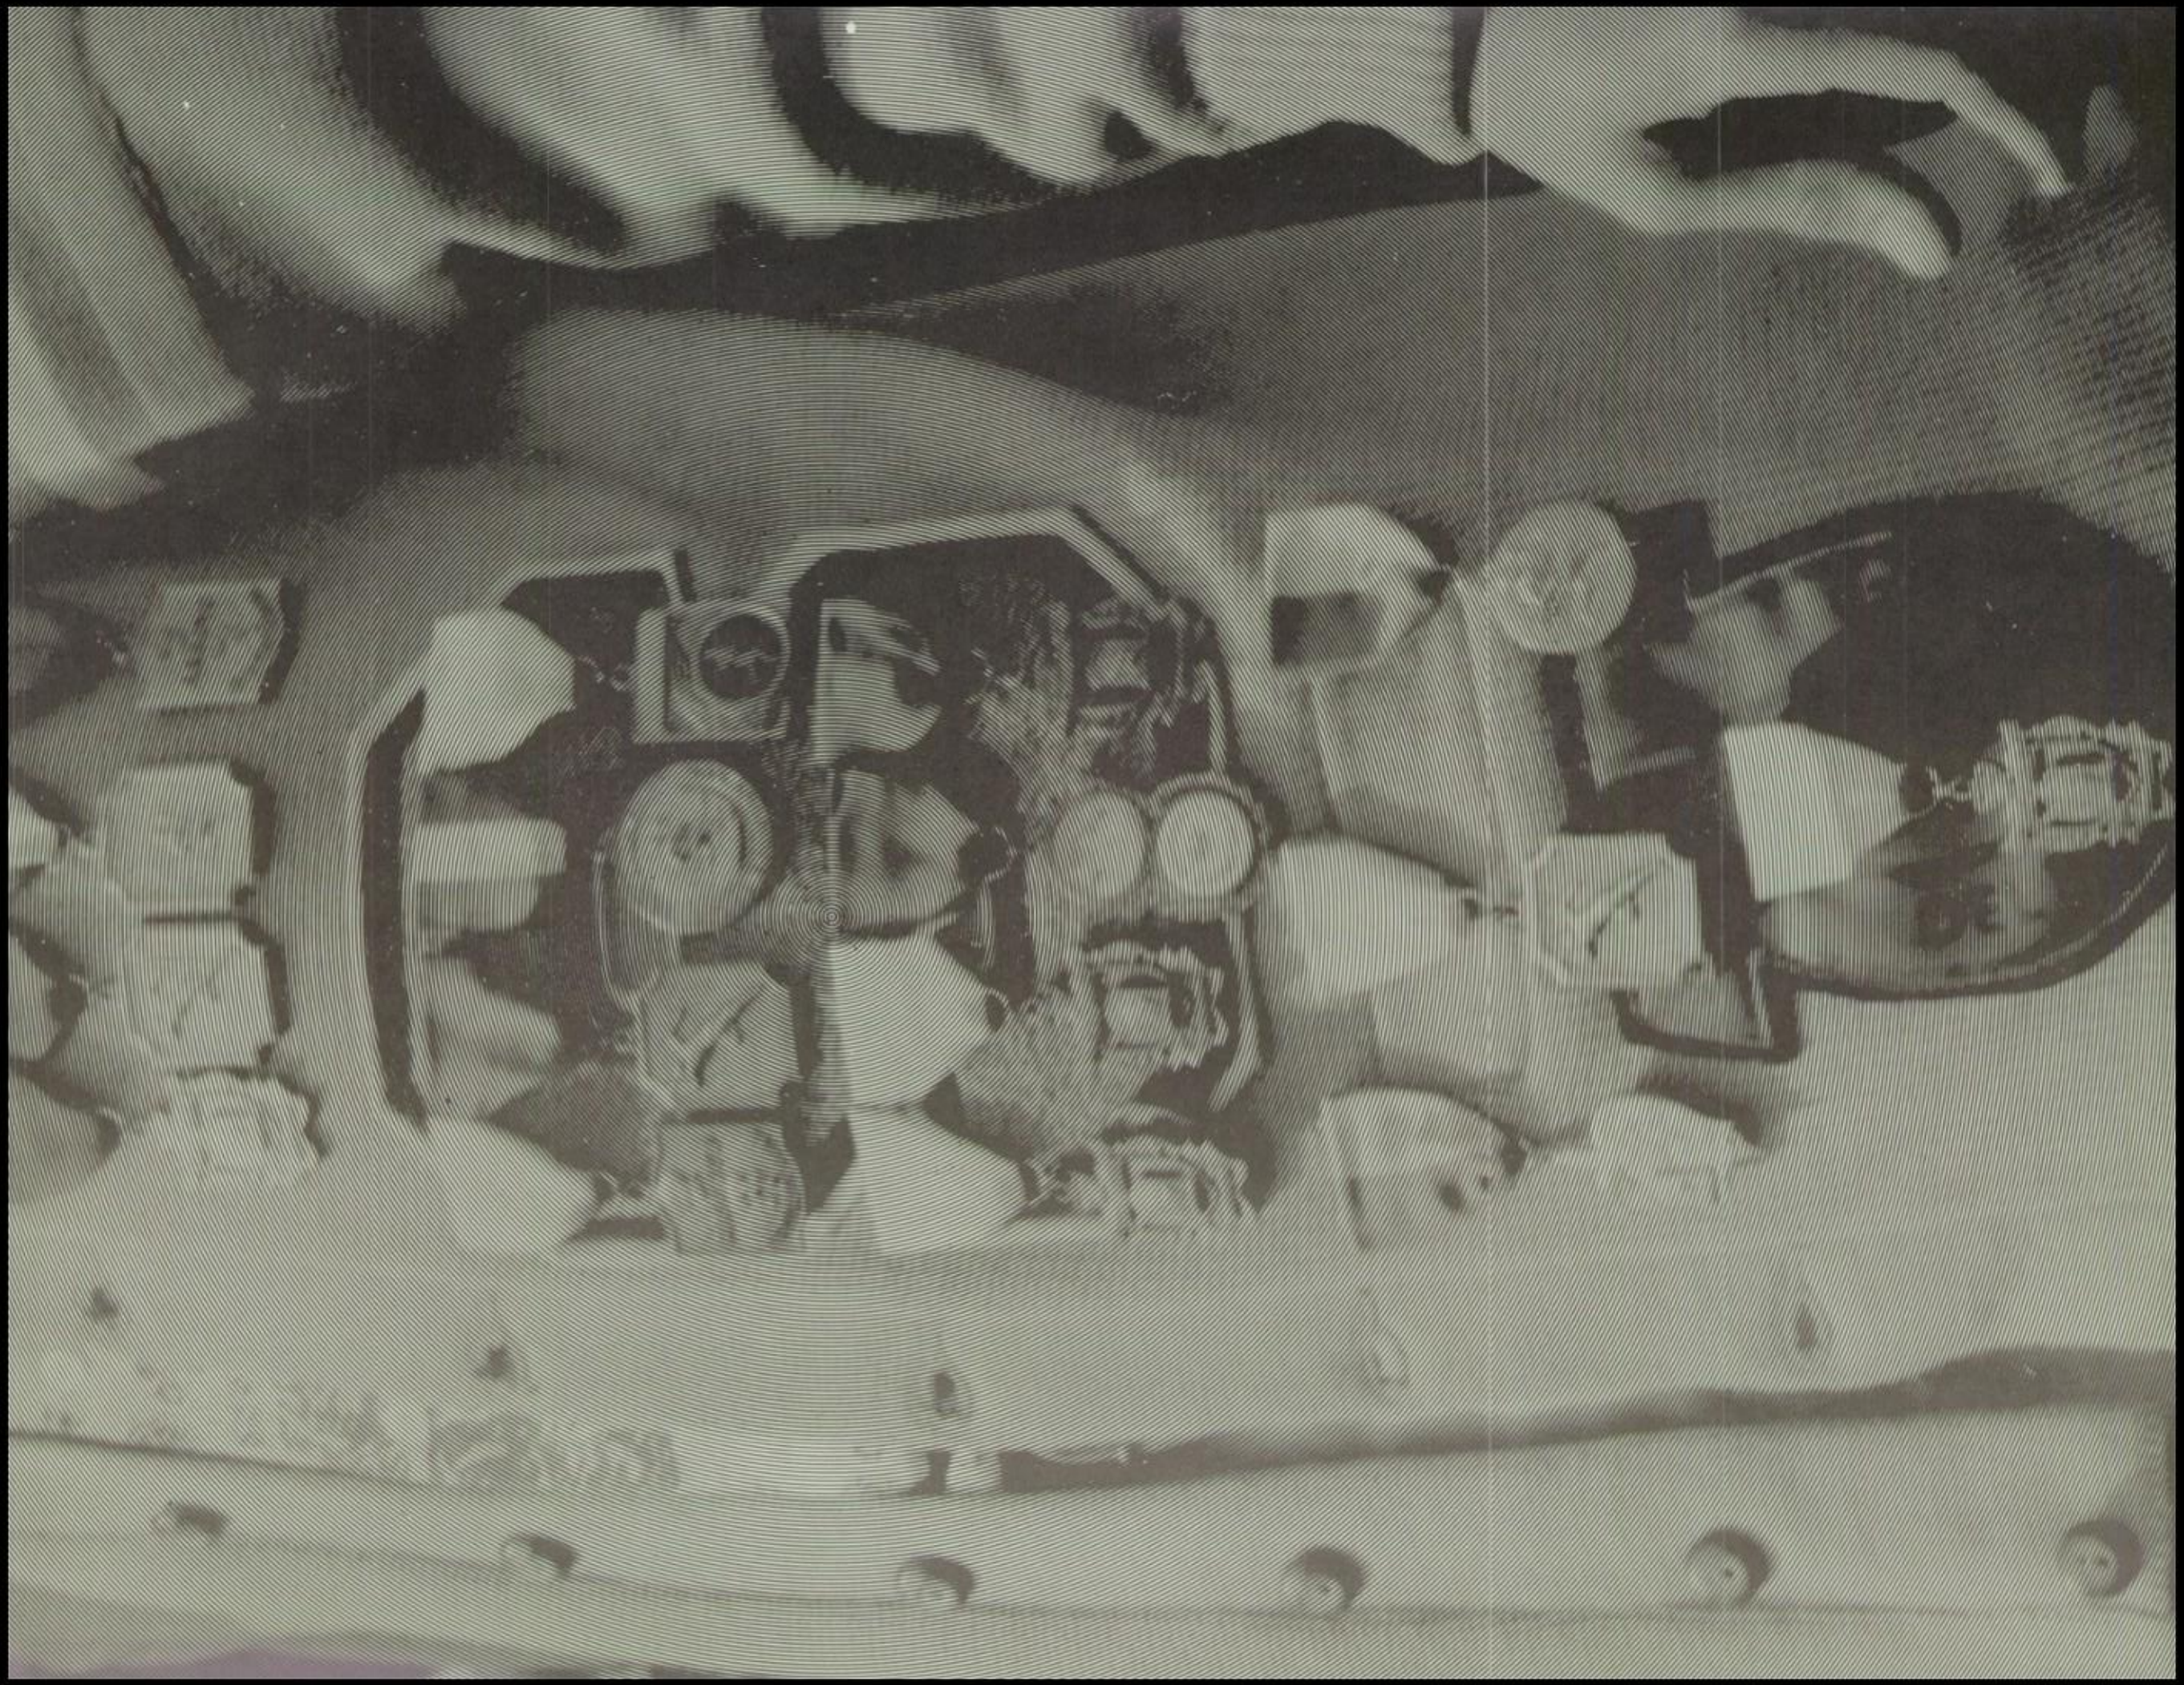
SPORTS



CROSS-COUNTRY TEAM

This year's 1974-75 X-Country Season ended in usual tradition for our team. Once again we took an undefeated First Place. During the past 5 years, the Salesian Mustangs have taken the league title four times, and have lost only one league game in all that time. For the up-coming 75-76 season, we will have lost only three members of our championship team. Hail to our team on its fine efforts and successes!!!!! Beware next year fellow competitors!

CROSS COUNTRY MAGNATES

Right: David Avila giving a last kick.

Javier keeping a commanding lead.

Below: Mustangs in the front, as usual.

By Steven Jimenez

Brother Tom and his Keegan boys made it seven straight with the victory over Crespi on November eighth, taking the Del Rey League. The Varsity team is now undefeated and is threatening to take it ALL. Not only did the Varsity take league, but also the J.V.'s and the Soph-Frosh teams.

Under the leadership of Brother Tom, the "K" boys scored big wins over Loyola and Crespi. Good all around efforts by Captain Memo Lopez, Mando Rodriguez, Javier Lebrija and David Avila blew-out Cantwell, Notre Dame, St. John Bosco, Murphy, and made an easy win over St. Francis.

In past years during the C.I.F finals, the Mustangs were a constant threat to all rivals. In 1972, Salesian took first place, and in 1973 they were a closerunner up. Now, at the close of the 1974 cross country season, Salesian has come up with one of the best years in its history. We are very proud of each member of the cross country team, and we are especially proud of our wonderful coach: Brother Tom Keegan (and Snoopy). No school ever had a better track coach! Thanks Brother, for helping us become a winning team!

SALESIAN CROSS COUNTRY TEAM SCORES

THE DEL REY LEAGUE

Because of the Etalon press time limitations, all Cross Country scores were not in; however; the following score schedule indicates the excellence of our Varsity Cross Country Team. Two things are needed to produce a good Salesian Cross Country Team; the first is lots of good material: that is, good athletes. The second, but not least, is a good coach. We at Salesian have both. There is no better track coach than Brother Tom Keegan. Our Cross Country Team is made up of the BEST young men at Salesian.

Whenever Keegan's Boys appear at competition with other Archdiocesan Schools, the public schools, or at C.I.F. events, our opponents get nervous. And they should, because we have the best! And we usually CREAM our opposition!

Struggling hard in an 8-team Del Rey League, Salesian proved to be one of the most competative teams. We, the Annual Staff, would like to congratulate them on a season well-accomplished.

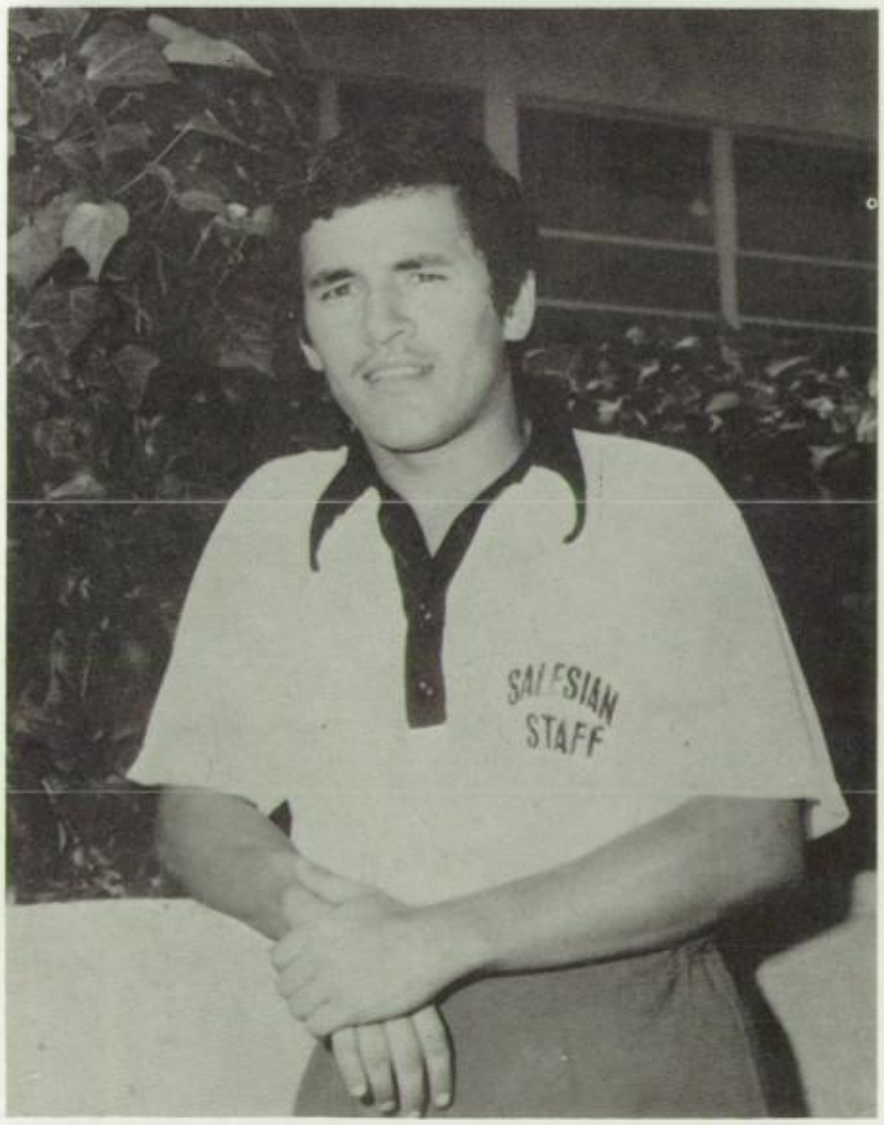
Freeway League Champions



Well, they're still the greatest. It has been a good season for the 1975 Soccer team of Salesian High School. The team's speed and accuracy was at its pinnacle point. Taking this into consideration, what else could they do but win the Freeway League Championship. Their potential is lethal to all teams and their sportsmanship is commendable.

Salesian High School is very proud of its soccer team and especially proud of having Mr. Medel as coach. Mr. Medel has contributed much to his players and to Salesian.

Congratulations!

TRACK TEAM

This year's track team is another fine example of Salesian's talent and sportsmanship. Under the able leadership of Coach Bjornsen and Br. Tom and other staff members, we have no doubt in our mind that we will have another winning season. Of course, we have some weak points in some events, but hopefully our overall greatness makes up for the difference (that is our team effort). We appreciate the time and effort that our students put into it.

BASEBALL TEAM

This year our Mustang Baseball team showed great promise. The Mustangs were in there contesting for the championship, but unfortunately they came up short of winning the League Championship. The Mustangs battled for every game, but unfortunately did not win all of them. 1975 was a year for great talent in both players and coaching staff because of these many reasons. We the Annual Staff would like to offer our congratulations to the Baseball team.

This year's Homecoming is an occasion to be remembered. The competition for Homecoming Queen was greater than ever before, beginning from the first screening of all the girls, till the final picking of the Queen herself. Martha Sanchez from Mission High School won the honor of becoming Salesian's 1974-75 Homecoming Queen. We the Annual Staff would like to congratulate Martha and all the Princesses for their interest in Salesian. Best of luck in your future years.

LOS DIES MANDAMIENTOS

Poesía popular panameña

A Mar a Dios soberano,
Dice el primer mandamiento,
El segunde en argumento,
No jurar su nombre en vano.

Dice el tercero: cristiano
Las fiestas santificar,
Y el cuarto que hay que honrar
A padre y madre amoroso.

Dice el quinto: no matar,
tenedlo en conocimiento,
Y siguiendo este argumento,
El sexto, no fornicar.

El séptimo, no hurtar
Al prójimo su tesoro,
Porque es un gran desaforo
Ultrajar nunca es bueno.

El octave, no mentir
Ni levantar testimonio.
No desear, nos dice el nono,
Ni al prójimo sucumbir.

El décimo en definir
Nos dice no codiciar,
Porque es pecado mortal
Y Dios se puede ofender.

On Tuesday, January 21, 1975 "The Harlem Clowns" met the Salesian High School Faculty at Salesian's Gym. The fast moving action continued throughout the game, but at the final buzzer the Clowns proved to be the dominant team.

The purpose was to raise money for the Athletic Department. We would like to extend our sincere gratitude to the Harlem Clowns for taking time to help us raise the much needed money, and hope that they may visit us again.
